Greetings Wood Creek Townhome Owners and Residents,

**Entryway Debris:**

Warmer weather is approaching and we'd like to remind owners and residents to please keep the common area entryway (i.e. your porch) tidy. All porches should be kept free and clear of rubbish, debris and other unsightly materials. Please help keep Wood Creek clutter free.

**Pet Cleanup:**

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

Sincerely,

Meadowlark Property Management

Warmer weather is approaching and we'd like to remind owners and residents to please keep the common area entryway (i.e. your porch) tidy. All porches should be kept free and clear of rubbish, debris and other unsightly materials. Please help keep Wood Creek clutter free.

**Pet Cleanup:**

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

Sincerely,

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

Greetings Wood Creek Townhome Owners and Residents,

**Entryway Debris:**

Warmer weather is approaching and we'd like to remind owners and residents to please keep the common area entryway (i.e. your porch) tidy. All porches should be kept free and clear of rubbish, debris and other unsightly materials. Please help keep Wood Creek clutter free.

**Pet Cleanup:**

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Greetings Wood Creek Townhome Owners and Residents,

**Entryway Debris:**

Warmer weather is approaching and we'd like to remind owners and residents to please keep the common area entryway (i.e. your porch) tidy. All porches should be kept free and clear of rubbish, debris and other unsightly materials. Please help keep Wood Creek clutter free.

**Pet Cleanup:**

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

Greetings Wood Creek Townhome Owners and Residents,

**Entryway Debris:**

Warmer weather is approaching and we'd like to remind owners and residents to please keep the common area entryway (i.e. your porch) tidy. All porches should be kept free and clear of rubbish, debris and other unsightly materials. Please help keep Wood Creek clutter free.

**Pet Cleanup:**

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

Sincerely,

Meadowlark Property Management

Greetings Wood Creek Townhome Owners and Residents,

**Entryway Debris:**

Warmer weather is approaching and we'd like to remind owners and residents to please keep the common area entryway (i.e. your porch) tidy. All porches should be kept free and clear of rubbish, debris and other unsightly materials. Please help keep Wood Creek clutter free.

**Pet Cleanup:**

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

Sincerely,

Meadowlark Property Management

Greetings Wood Creek Townhome Owners and Residents,

**Entryway Debris:**

Warmer weather is approaching and we'd like to remind owners and residents to please keep the common area entryway (i.e. your porch) tidy. All porches should be kept free and clear of rubbish, debris and other unsightly materials. Please help keep Wood Creek clutter free.

**Pet Cleanup:**

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

Sincerely,

Meadowlark Property Management

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.

**Board of Directors Meetings:**

We encourage all owners to participate in Wood Creek decisions. Owners and residents are welcome to attend the Wood Creek Townhouse Association Board of Directors monthly meetings. Please see attached schedule for meeting times and dates.

Greetings Wood Creek Townhome Owners and Residents,

**Entryway Debris:**

Warmer weather is approaching and we'd like to remind owners and residents to please keep the common area entryway (i.e. your porch) tidy. All porches should be kept free and clear of rubbish, debris and other unsightly materials. Please help keep Wood Creek clutter free.

**Pet Cleanup:**

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Greetings Wood Creek Townhome Owners and Residents,

**Entryway Debris:**

Warmer weather is approaching and we'd like to remind owners and residents to please keep the common area entryway (i.e. your porch) tidy. All porches should be kept free and clear of rubbish, debris and other unsightly materials. Please help keep Wood Creek clutter free.

**Pet Cleanup:**

Please remember to keep your pets leashed and clean up after them (See Rules and Regulations No. 7). You're neighbors and maintenance staff appreciate it.

**Re-siding Project Continues:**

We are into our fourth year of Wood Creek's re-siding project. The building selected this year for re-siding is **Building No. 9**. Congratulations to the owners and residents there. The entire building will be wrapped with an underlayment (adding R-value, sound dampening, moisture control and resistance to insect/pest intrusion) along with new vinyl siding which will bring beautiful long lasting color as well as increased protection against the elements. Work on siding will begin this spring. Owners and residents of Building 9 will be notified when a project date is set. Please note, any satellite dishes or other items currently attached to the exterior walls of Building 9 will be removed by installation crews and will not be reattached to the new siding. Building 9 owners and/or residents are encouraged to contact their current dish provider and request they reinstall dishes in an acceptable location. If you have questions, please feel free to contact Management.
