Dog Waste Stations

We are happy to announce that we recently installed three dog waste stations throughout the complex, one along each entrance and one on the west lawn of the playground area.

Please remember the following rules regarding dogs at Wood Creek:

- **A pet may not be tied to fixtures and left unattended**
- **It is the responsibility of the pet owner to remove and properly dispose of pet droppings.**

Remember to pick up dog waste immediately so that it is not stepped in or run over by the lawnmower.

Little Free Library

In February we installed a Little Free Library outside the Wood Creek office. This library belongs to the entire Wood Creek community and we encourage everyone to participate by donating and taking books.

Guest Parking

We want to remind residents that their guests are not allowed park in other units' numbered spots and that doing so can result in their car being towed. Guest parking is permitted in any of the blank yellow spots throughout the townhouse complex or along the curbs not marked with a yellow stripe. Please be considerate to your neighbors.

Sincerely,

Wood Creek Townhouse Association
